Re: *Davies v. Indyke et al.*, 19-cv-10788 (GHW)(DCF)

Your Honor:

We represent Plaintiff Teala Davies. With the consent of all parties, we write respectfully to request a one-week extension of the briefing deadlines for the Defendants' pending motion to dismiss (ECF 26).

Plaintiff's opposition papers are currently due on March 20 and Defendants' reply papers are currently due on March 30. We request a one-week extension of both of those deadlines, so that Plaintiff's opposition papers would be due on March 27 and Defendants' reply papers would be due on April 7. This extension of time is needed due to challenges arising from COVID-19 response measures, including school and office closures.

We have conferred with Bennet J. Moskowitz, counsel for Defendants, and he consents to this extension. This extension would not affect any other deadlines in this case. No previous extension of time has been requested since Your Honor entered the parties' proposed briefing schedule on February 28, 2020 (ECF 25).

We appreciate Your Honor's attention to this matter.

Very truly yours,

/s/ Mariann Meier Wang
